I could join before 0930 and will make 11 to 12 work

If we chat before 0930, might text me too Ex. 6 Personal Privacy (PP) just to make sure my email is working. I shut down last night and rebooted. Seemed like emails were lagging to arrive – hopefully fixed but just in case might text me too 😊

Subject: [Non-DoD Source] FS and funds

Hi Everyone,

We need to have a conversation today regarding finalizing the FS and funding. Sorry for the short notice but I would like to work out any concerns about finalizing the FS as soon as possible. We need to get the FS back to PPG for their review of the final version.

Michael and I are available:

Before 9:30
10 to 10:30
11 to 12

Thanks!

Josh
